

Mechanical Fitter

ABOUT THE BUSINESS

MFE is an established business leader in project and maintenance services. We pride ourselves on our diversity and inclusiveness throughout our employees, our suppliers, our community projects and industries in which we do business.

ABOUT THE ROLE

We are currently seeking a qualified mechanical fitter for a full-time permanent role reporting to the Supervisor on a 5/2 – 4/3 roster, based in Chinchilla. To be successful in the role, you will be a qualified experienced Mechanical Fitter and have a high work ethic with focus on safety and quality.

WHAT YOU WILL NEED TO SUCCEED

- Experience in the following
 - Site maintenance/ fixed plant and water treatment experience
 - Valve maintenance
 - Working to a shutdown schedule
 - Water Treatment and Wash Plant Maintenance
 - Reverse Osmosis and Ultra Filtration repairs and change out
 - Flange Management
 - Preventative maintenance
- Quality driven
- Positive attitude and self-motivated
- Forklift, EWP, Scaffolding, Work at Heights, Confined Space and ISI - highly desirable

WHAT'S IN IT FOR YOU?

- Career advancement and a competitive salary
- Relocation assistance to Chinchilla
- Work within a family focused team who are committed to quality outcomes for their clients
- Work flexibility to enjoy the balance of life

This is a great opportunity for a person who is wishing to further their experience whilst being provided excellent conditions and upskilling opportunities.
