

Quality Controller

MFE is an established business leader in project and maintenance services. We pride ourselves on our diversity and inclusiveness throughout our employees, our suppliers, our community projects and industries in which we do business.

Due to recent expansion and internal repositioning, the Quality Controller role within the business has become available, based in Chinchilla. Your success will be a result of your thoroughness, attention to detail and output consistency.

WHAT YOU WILL NEED TO SUCCEED

- Excellent analytical skills & an extreme eye for detail
- Skills associated with document auditing and control
- Intermediate Microsoft Office competency skills
- Ability to read engineering drawings
- Ability to research and read Australian Standards
- Excellent relationship management skills
- Advanced verbal and written skills
- Positive attitude and self-motivated

WHAT'S IN IT FOR YOU?

- Career advancement and a competitive salary
- Relocation assistance to Chinchilla
- Work within a family focused team who are committed to quality outcomes for their clients
- Work flexibility to enjoy the balance of life

To apply, you must send your resume with a cover letter attending to the following questions:

1. What personal attributes will make you successful in the role (limit 150 words)?
2. What are the 3 things about Chinchilla that will keep you in the region long term (limit 150 words).

Please send your cover letter and resume to Annette Gavin (agavin@mfe.com.au) or call 0405 384 957 to find out more. You can explore our company more by visiting www.mfe.com.au
